END OF TERM "SHARES"

Classes for ages 13 and under culminate in informal presentations by the students in the class, called "Shares". Shares are presented at the end of each term. These presentations are meant to be intimate to create a supportive and comforting environment to celebrate each student's creativity, growth, and achievements. For that reason, attendance is limited. Please mark your student's final share on your calendar so you can plan to attend. More details will be provided by the class instructor closer to the final day.

CLASS EXPECTATIONS & PROCEDURES

ATTENDANCE

Students are expected to commit to class attendance for the full semester. Our curricula are cumulative and structured to build upon each class; weekly attendance is necessary to be accountable to one another as part of an ensemble and work towards common goals.

BE ON TIME FOR CLASSES

Students are asked to arrive at least 5 minutes prior to the start of class so they can begin on time. Please be mindful of instructors and other students in the class. Each student has an integral role in the class, and tardiness can negatively impact the ability of other students in the class to learn and grow as a group.

STUDENT HANDBOOK

STUDENT SUPERVISION AND SAFETY

At SPAC School of the Arts, the safety and well-being of our students are of utmost importance. Please be advised that school staff are not responsible for the supervision of students in common areas including hallways, lobbies, and outdoor spaces. Children must not be left unattended in these areas at any time. Parents and guardians are responsible for ensuring that their children are supervised before and after classes. Additionally, children are not permitted to enter or attend adult classes under any circumstances.

STUDENT ABSENCES

If you know you will be late or absent from class, please notify the school by emailing school@spac.org or calling (518) 587-3331, ext. 181 (Please leave a message if no one answers.).

EXTENDED ABSENCES

If a student is ill or injured for an extended period (more than two classes), their account may be credited so they may rejoin the class when fully recovered. Students must provide written consent from a physician upon returning.

SICK POLICY

If students have a fever, nausea, vomiting, moderate-to-severe cough or runny nose, or any significant signs of illness, they are asked to stay home and notify the school that they will be absent by emailing school@spac.org.

WAITING AREA USAGE DURING CLASS

Guardians and siblings of registered students are permitted to wait in the common area of the school while their student is taking class. Please be respectful of others by using appropriate volume and language for conversations. Once the class is finished and you pick up your student at their studio door, we ask that you exit the school building so that others can utilize the waiting area while classes are in session.

CLASS CANCELLATION POLICY

If a class is cancelled for any reason (i.e., teacher illness, inclement weather, etc.) students/guardians will be contacted at least 2 hours prior to morning classes and before noon for all afternoon classes. Cancelled classes will be rescheduled or fully refunded.

The cancellation of classes due to inclement weather will be based on the Saratoga Springs City School District.

PRIVATE LESSON CANCELLATION POLICY

STUDENT HANDBOOK

If a student cancels a private lesson, they may be given a chance to reschedule, at the instructor's discretion. Otherwise, no refunds, credits, or adjustments will be given if a student misses a lesson for any reason (illness, personal conflict, etc.).

DROP-IN AND MAKE-UP POLICY

Certain classes offer a drop-in option. If a student enrolls as a drop-in, we ask that the student register for class at least 24 hours in advance to ensure they are added to the class roster.

If a student misses their drop-in class, we can offer them a make-up class as a courtesy at the discretion of the instructor. Students must inform the SOTA Administrator of the following prior to class:

- Which class they did not attend
- Which class they intend to take as a make-up (Note: must also be a valid drop-in class within the same discipline and have space available)

TUITION AND PAYMENT

Tuition for registered classes is due at the time of registration. Initial payments must be made prior to the start of the student's first class. Students will not be allowed to participate in classes without completing proper registration and submitting initial payment of tuition. There will be no refunds or pro-rating of paid tuition upon a student's absence or withdrawal from class. Payment of tuition can be made online at the time of registration, in person with cash or a check on the day of the student's first class, OR by mailing a check.
