A Year-Round Home for Arts, Education, and Community

For 60 years, SPAC has fostered connection through the performing arts. Its exquisite setting in Spa State Park surrounded by hiking trails, geysers, and natural mineral springs draws lovers of arts, culture, and nature. Our summers are known for performances by resident companies New York City Ballet and The Philadelphia Orchestra, as well as Saratoga Jazz Festival and concerts by Live Nation. We also offer a year-round residency with Chamber Music Society of Lincoln Center and dance, jazz, classical, and world music at Spa Little Theater.

Alongside our legendary performing arts offerings, we have expanded our definition of the arts to encompass a thriving culinary arts program, visual arts exhibitions, literary arts programming, and healing arts initiatives.

At SPAC, there's something for everyone.

SPAC relies upon charitable donations to support our work. As we celebrate SPAC's 60th anniversary, maintaining and growing our membership base is more important than ever. It is a foundation of our philanthropic support, allowing us to combine artistic excellence with community engagement, and continue serving free arts education and engagement programs to nearly 60,000 individuals across the Capital Region each year.

Join SPAC as a 2026 member before December 31, 2025, and receive up to 60 extra days of membership for free.
